## General Information & Competition Levels

Dunes offers teams for girls and boys grades K through 12. All participants must try out for evaluation and team placements. It is our intent to place everyone on a team.

### Dunes teams practice location:

- Dunes Events Center. Located at 110 Clear Lake Blvd., La Porte, IN

### Competitive Levels:

#### ***National Teams***

The elite travel season is established to cater to the athlete that wants to train, develop, and play a committed season with others that share their same goals. They practice 2-3 days a week with their team. Coaches and players at this level are expected to take their commitment level serious. Elite teams set their goals to attend AAU Nationals in Orlando, FL in June.

#### ***Semi Travel Teams***

The semi travel season is for the athlete that wants to train, develop, and play a committed shortened season. They practice 2-3 days a week with their team with either a practice or tournament on the weekend. Semi travel teams compete mid-December through mid-May. We aim to have teams at this level at every practice location.

#### ***Local Teams***

The local teams are for athletes that are not ready to make a six month commitment to volleyball, and often play other sports that may keep them from this. Local teams have 1-2 practices a week, with either a practice or tournament on Sunday. We offer two seasons that run mid-December through the beginning of March and mid-March through mid-May. Players may sign up for both seasons.
